

## PLC 1771-P7 CONTROLLER POWER SUPPLY MODULE

### Basic Information

- Place of Origin: USA
- Brand Name: PLC
- Certification: CO
- Model Number: 1771-P7
- Minimum Order Quantity: 1PC
- Packaging Details: BRAND NEW WITH FACTORY PACKAGE
- Delivery Time: 2-3 days
- Payment Terms: T/T
- Supply Ability: 100pcs per week

### Product Specification

- PART NO.: 1771-P7
- Weight: 0.5KG
- Actual PRICE: Negotiable
- Condition: New Original With Sealed
- Application: Oil And Gas Factory
- Color: Normal

## Product Description

### Description

PLC 1771-P7 CONTROLLER POWER SUPPLY MODULE

### Product details

|                     |                     |
|---------------------|---------------------|
| Model               | 1771-P7             |
| Brand               | PLC                 |
| Description         | PLC 1771 Controller |
| Datasheet/Catalogue | PDF File            |
| Weight              | 0.5KG               |
| Condition           | Normal              |

### Product Description

Includes integrated Device Level Ring (DLR) connectivity which helps optimize the network architecture;  
 Provides Network Address Translation (NAT) capabilities which offers IP-address mapping from local, machine-level IP addresses to the broader plant network;  
 Offers Power-over-Ethernet (PoE) versions to enable power delivery over the same cable as ethernet with minimized cabling;  
 Includes security features such as access control lists, which help ensure that only authorized devices, users, and traffic can access the network;  
 Offers optional Secure Digital (SD) card which provides simplified device replacement.

### Mainly Products

|                 |                              |
|-----------------|------------------------------|
| PLC module      | Redundancy Module            |
| DCS module      | Analog input module          |
| CPU module      | Analog output module         |
| IO module       | Digital input module         |
| DO module       | Digital output module        |
| AI module       | Relay Output Module          |
| DI module       | Relay Input Module           |
| Power Module    | Motion control module        |
| Ethernet module | Network communication module |

### Application

1. Power industry, the elevator industry, parking, automobile, auto ancillary.
2. feed industry, aluminum smelting machines, refrigeration industry.
3. steel industry, combustion control systems, non-ferrous metal smelting.
4. glass industry, construction machinery, textile machinery, water treatment

### Best Services Assurance

- 1.High quality
- 2.Fast Delivery
- 3.We provide a large number of brand new in stock.
- 5.There are many products in stock.
6. We only provide the original new items, 100% make sure the best quality!

## 1 Year Warranty

### Our Company

Wuhan Sean Automation Equipment Co.,Ltd established for over 6 years, believes in providing the best quality,we offer and deliver products worldwide.As a factory automation wholesale distributor,we provides quality new parts along with quality

on everything we carry.

We offer a minimum one-year warranty on all products. satisfied for customers are to our purpose. we have been committed to providing quality parts and equipment at the right price and right time to every clients. Many parts are stocked and available with very short lead times to ensure your parts are available when you need them.
